Scopes are broad classifications which may include business activities for which a certification body's competence has not been demonstrated. The certification body is expected to make this clear to its own personnel and to potential customers, and to accept applications for certification only for those activities for which the certification body has the competence.

Dear Paul Burck,

Enclosed, please find the revised certificate of accreditation, which reflects the following changes:

- Removal of the Bangladesh office location
- Revision of the Quebec and Ontario office locations

If you have any questions, please do not hesitate to contact me.

Sincerely,

Renée Tezak
Client Coordinator, Management Systems
